

Coming in September 2017 - Report and Pay Unemployment Insurance Taxes through MyTax Illinois

As part of the IDES modernization effort, starting on September 11, 2017, Illinois employers will be able to use MyTax Illinois to complete all of their unemployment insurance (UI) processes. IDES is putting more features and functionality online to better serve all of our employers' needs.

With MyTax Illinois, employers will be able to

- ✓ **File your UI wage reports and make your payments quickly and easily**
- ✓ **Request refunds**
- ✓ **Submit appeals electronically**
- ✓ **Request penalty/interest waivers**
- ✓ **Maintain Power of Attorney relationships**
- ✓ **Report quarterly zero wages**
- ✓ **View your new annual rates immediately**
- ✓ **Set up a deferred payment plan**
- ✓ **See all of your IDES letters and correspondence online**
- ✓ **And most importantly, complete all of your Illinois tax processing on one secure and proven (free) website, MyTax Illinois!**

We encourage you to fully utilize MyTax Illinois for all of your State of Illinois tax needs. If you would like to establish your MyTax Illinois account prior to the September 2017 cutover, please contact the IDOR Central Registration staff at 1-217-785-3707 or please visit the MyTax Illinois website for assistance. If you already have a MyTax Illinois account, starting in September 2017, you will have access to your unemployment insurance account.

Please feel free to share this letter with your tax preparer.

IDOR and IDES are dedicated to improving the tax experience for all Illinois employers. Keep watching the IDES website www.ides.illinois.gov for additional information. If you have any questions, please contact the IDES Employer Hotline at 1-800-247-4984. Thank you!
